

RESOLUTION 20-2005

UPDATE TO THE MADISON COUNTY PRE-DISASTER MITIGATION PLAN

WHEREAS, the Board of Commissioners adopted the Madison County Pre-Disaster Mitigation Plan as an amendment to the Madison County Comprehensive Plan, 1999 Update, on December 15, 2003, and

WHEREAS, maintenance procedures of the Madison County Pre-Disaster Mitigation Plan require that the Local Emergency Planning Committee (LEPC) review and update the Pre-Disaster Mitigation Plan annually and invite the public to comment on any proposed updates, and

WHEREAS, the LEPC reviewed Pre-Disaster Mitigation Plan and recommended an update to the Mitigation Strategies portion of the Madison County Pre-Disaster Mitigation Plan, and

WHEREAS, the LEPC advertised to the public inviting comments on the proposed update during the regular LEPC meeting on August 24, 2005. After hearing no input from the public, the LEPC recommended approval of the proposed update by the County, and

NOW THEREFORE BE IT RESOLVED, that the Board of Madison County Commissioners approves the recommended update to the Mitigation Strategies portion of the Madison County Pre-Disaster Mitigation Plan.

Approved by the Board of County Commissioners this 29th day of August, 2005.
